# Design Center UI

## Sketch catalogue overview

- Tag cloud

# Design Center UI

## Sketch catalogue overview

- Sketch categories

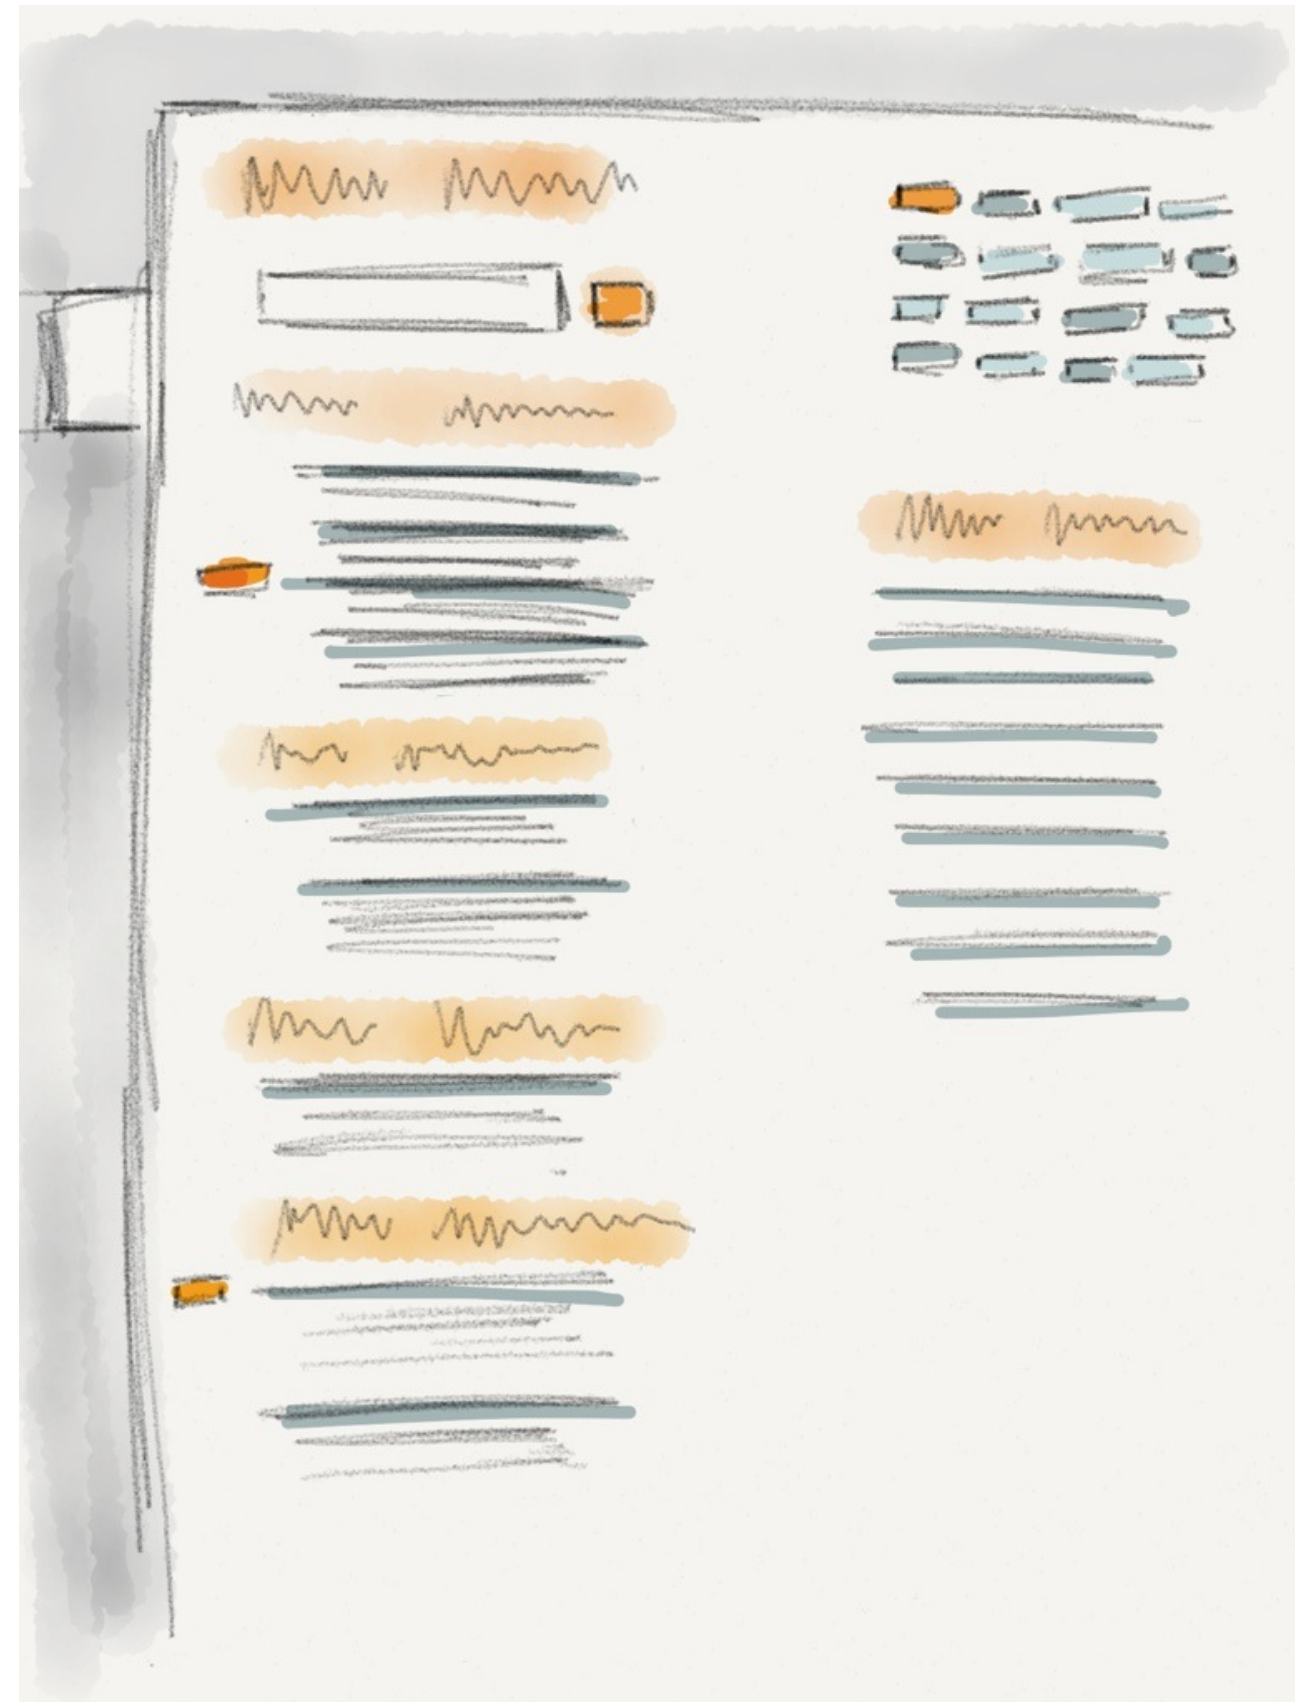

# Design Center UI

## Tag based filtering

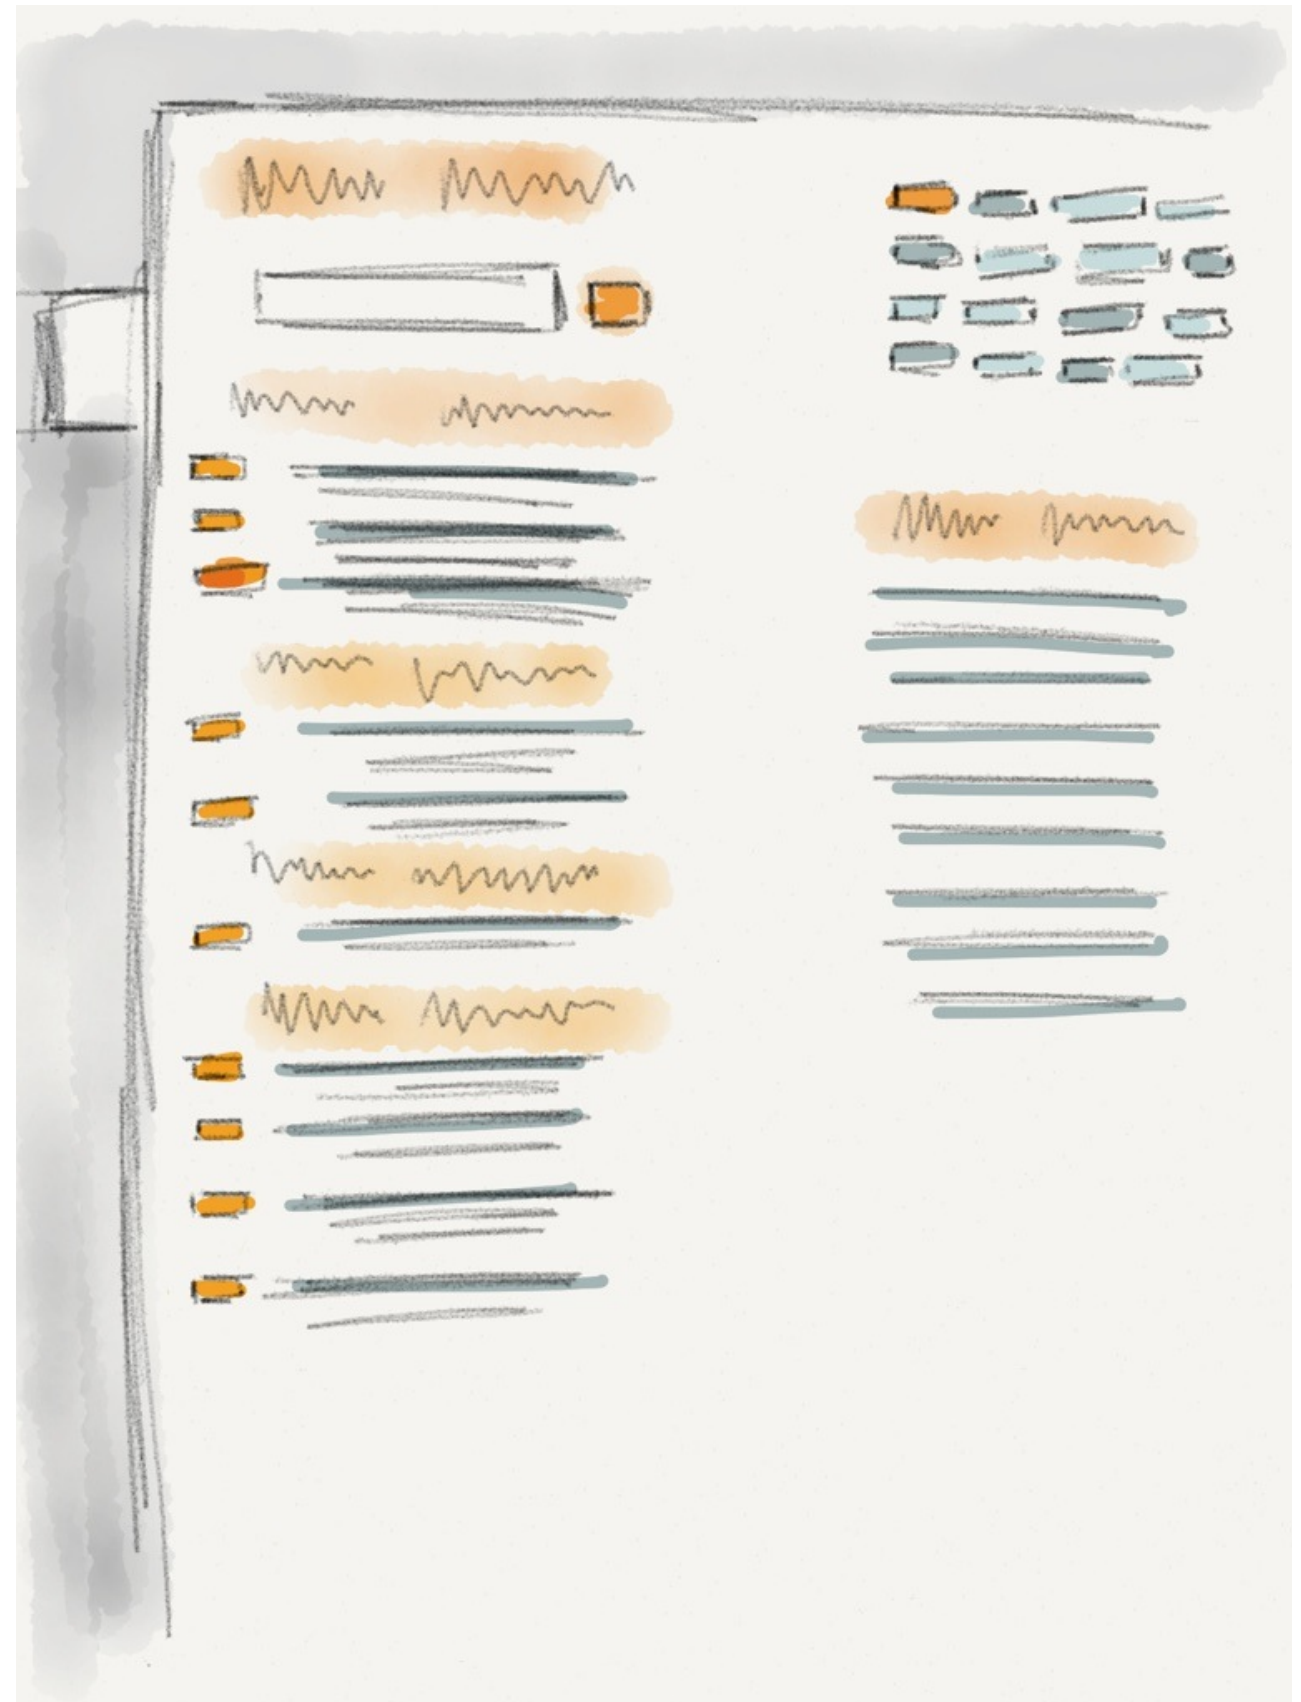

- clickable tags
- tags narrow list of sketches per category

# Design Center UI

## Tag based filtering

- orange tag = activated sketch

# Design Center UI

Tag based filtering

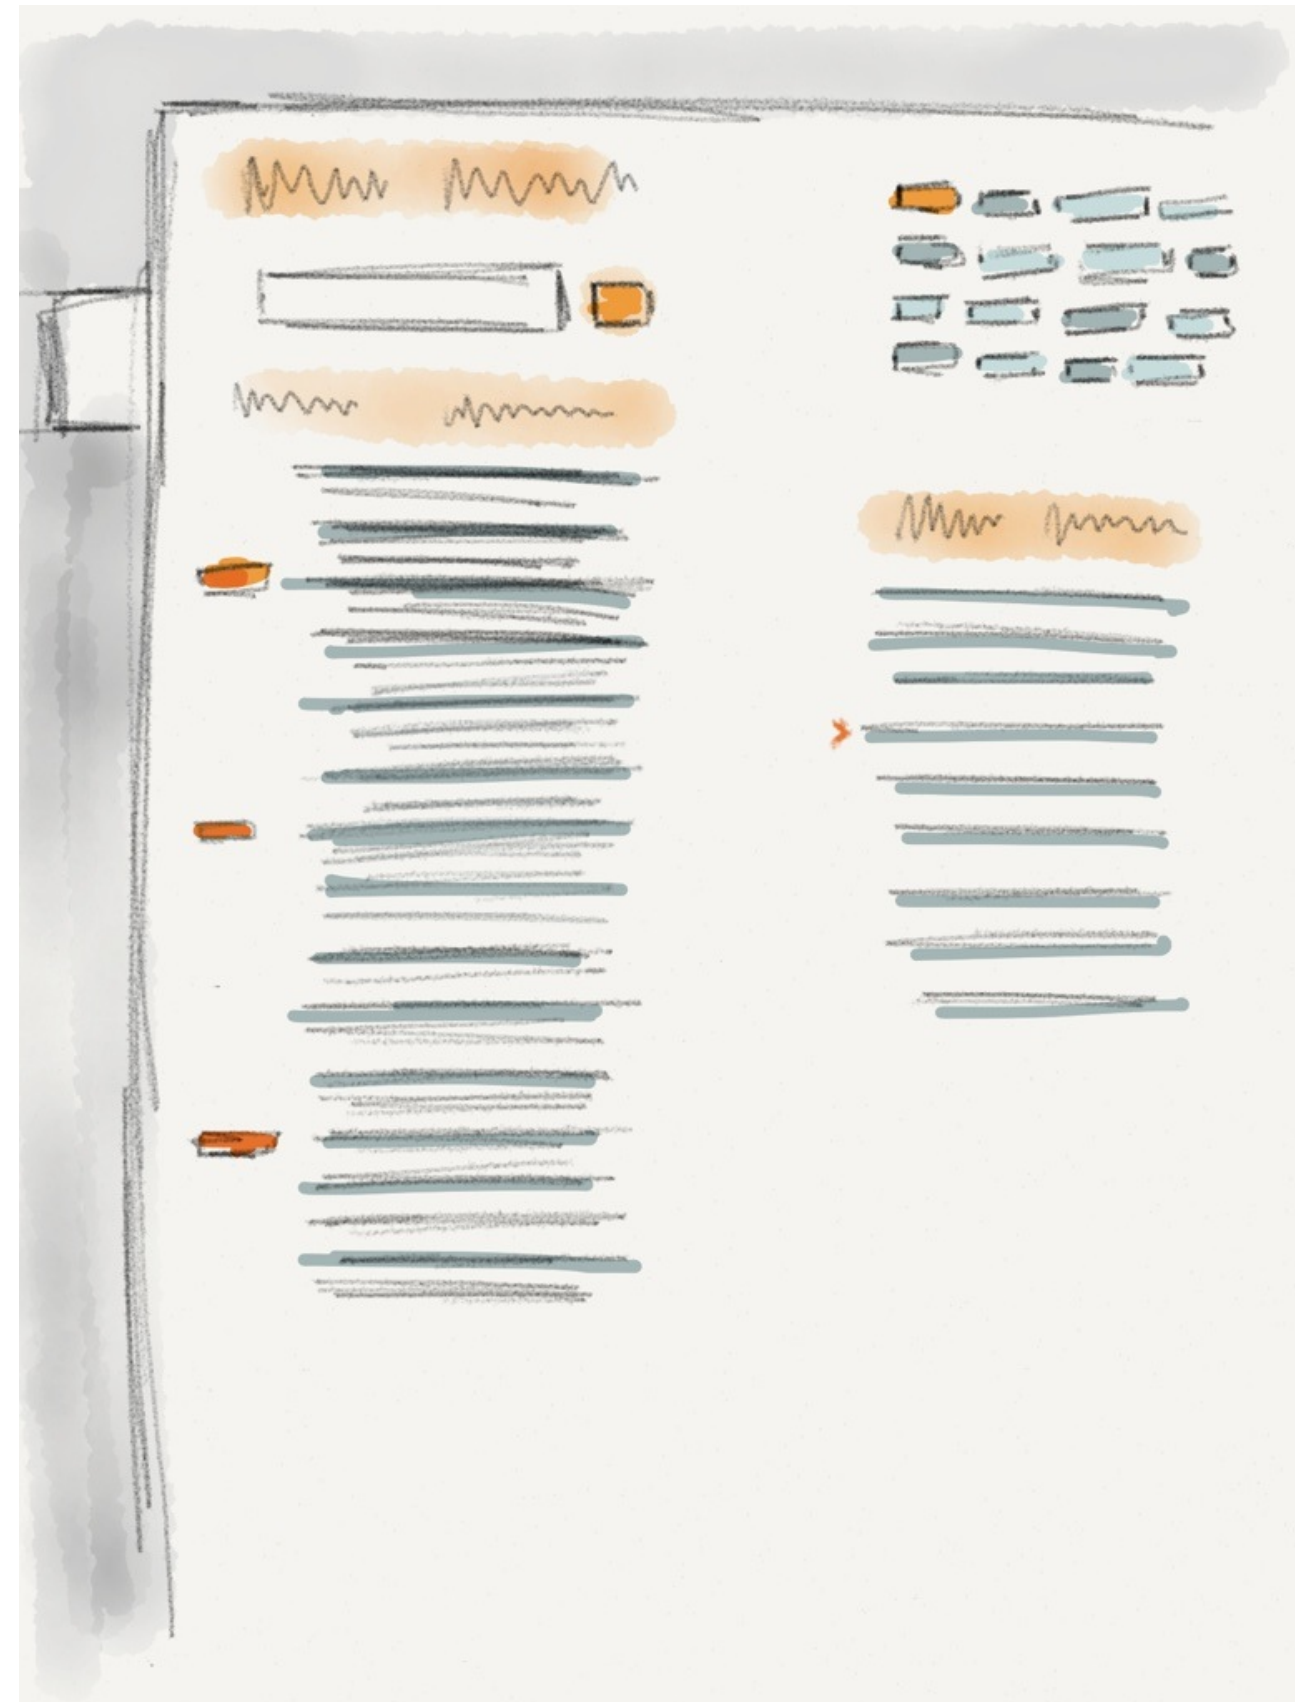

- tags are AND'ed

# Design Center UI

Category based filtering

- clickable category titles
- UI only shows sketches in selected category
- single selection only

# Design Center UI

## Category based filtering

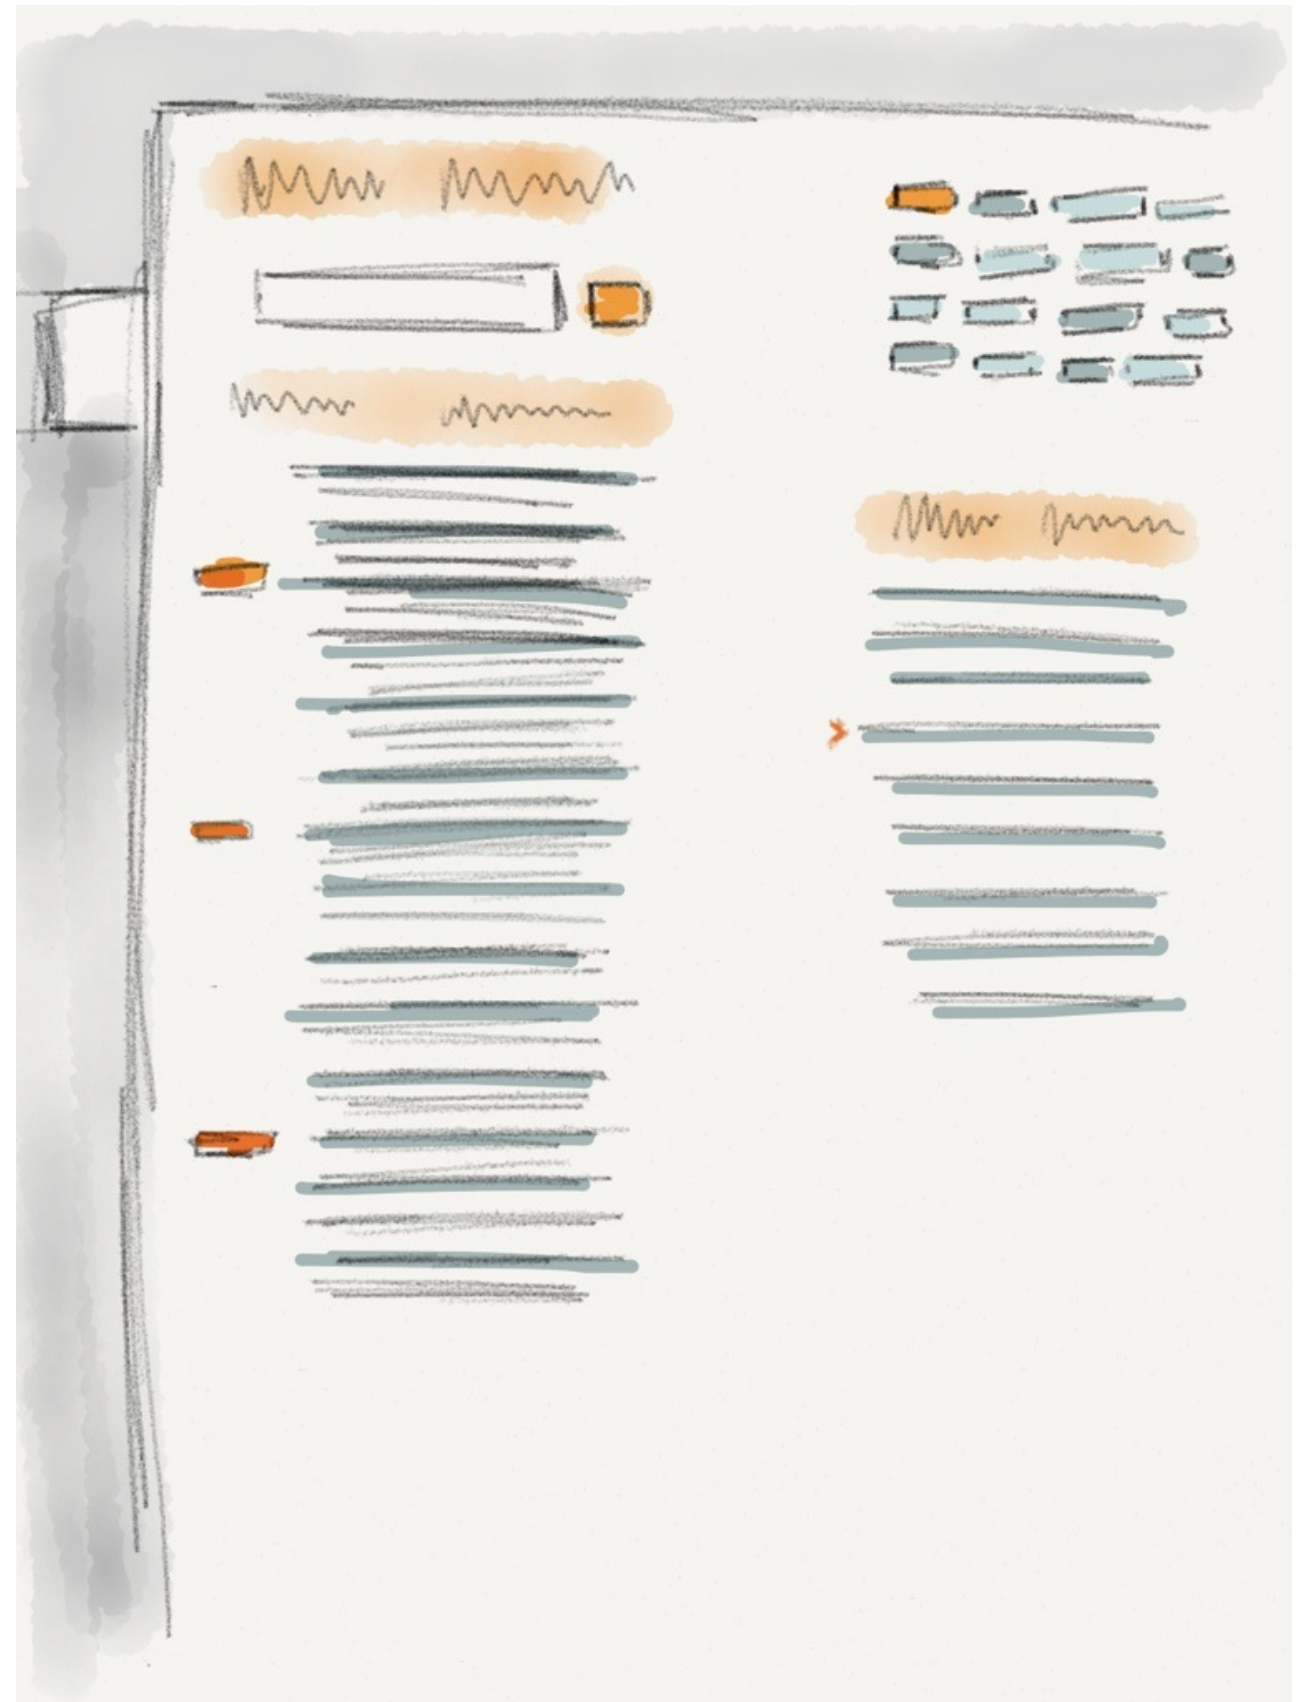

- visual indication of active category

# Design Center UI

Categories and tags can be combined for filtering

Example: activated sketches in one category

# Bonus\*

We could fill the search field with the equivalent string combinations:

```
tag:foo tag:bar cat:baz FizzBuzz
```

\*) needs research
